SPECIAL PROJECTS

<p>The Land Information Office promotes the use of GIS throughout the County. The Department is willing to assist local businesses and organizations with special GIS projects. These projects will be conducted strictly upon Land Information staff availability with priority given to County needs at all times. Project costs will be determined individually based on the scope of each project. Please contact the Land Information Department for more information.</p>

All fees listed are subject to change.

"2018 Fee Schedule" Approved by the Lafayette Land Information Council January 2018.
