

LAFAYETTE COUNTY HOSTS 2018 SOUTHWEST WISCONSIN LAND JUDGING CONTEST

The Lafayette County Land Conservation Department hosted the 2018 Southwest Wisconsin High School Land Judging contest on October 18. This annual contest is sponsored by the Land & Water Conservation Departments from Grant, Lafayette and Green counties. This year's contest was held in cooperation with the Larson Family Dairy Farm near Gratiot.

Nine high schools with 134 students total participated in the contest. The goal for the contest is for students to gain an awareness of what soil is, how it developed, it's practical uses and conservation of this most important resource.
