Correspondence: None

Patrolman's Update: The guys have done some maintenance on equipment. They spread some tailings to keep the roads driveable. The new patrolman has started. He is working on setting up a regular work schedule.

Old Business:

Fire/Ambulance Reports: Business as usual.

Discussion and possible action on other acceptable project proposals for County ARPA funds: After some discussion on guidance from the county on limited uses for these funds, this was tabled for now.

New Business:

Discussion and possible action on road work for 2022: Different road projects were discussed. Russell and Airport should be seal coated this year. It is difficult to plan at this time because of rising costs and supply shortages. We have not received any information back from the state on LRIP for the north end of Cottage Inn Road. This topic was tabled until a later date.

Discussion and possible action on excess/not used township equipment: The grain drill in the shed is too large for most ditches. There are extra used truck tires from the red truck in the shed. These are the original tires that were on it and they did not work well plowing snow. The grain drill will be offered for sale, and F&K Tires will be contacted regarding the used tires.

The Spring Election is April 5th, 2022.

The Annual Elector's meeting is April 19th, 2022.

Open Books is May 3rd, 2022, from 11:00 AM until 1:00 PM. This will be held virtually and by phone call.
