Discussion with visitor Jack Sauer on Lafayette County committees: Jack Sauer came out to talk about the \$6901.00 charge to the Town of Kendall for the Lafayette County EMS. The County EMS service had a budget shortfall of over \$230,000, and the cost is being passed on to all of the municipalities in the County. Mr. Sauer apologized for the EMS tax after it was previously stated by

the county that non users of the service would not be charged for it. He stated they hoped to have the contract and this county wide charge fixed for next year. There is going to be a meeting in Darlington on 12/15/22 to help answer questions from people in the County.

The January monthly meeting will be held on January 9, 2023 at 6:30 pm.

Correspondence: There have been a few emails regarding procedures for tax payments from banks and mortgage companies.

Patrolman's Update: The patrolmen have done some snow plowing. There are new batteries and ordered new back tires for the blue truck. Had Wedig welding rebuild the wing mount from years of wear. The guys used 4 loads of tailings during the last snow. Did a survey for the WTA on Road Maintenance cost over the last five years. Our overall cost for seal costing, patching and other road materials has gone up 18.9% in the last five years.

Old Business:

Fire/Ambulance Reports-

Update on milk truck on Woods Branch Road: The milk driver told Mark to let the road go to gravel. He isn't cooperating with coming in lighter when he does pick up on Woods Branch Road during the seasonal posting. Tried calling the milk truck driver twice with no response. Also talked to Ehpaum Lapp about the issue. Mark is going to contact Eileen about producing an ordinance regarding this for the board to look at for the next meeting.

New Business:

Set date for January Caucus After some discussion, it was decided to hold the January 2023 Caucus on January 9, 2023 at 6:30 pm and January monthly meeting will be held immediately after the Caucus.
