

LAFAYETTE COUNTY, WI GEOGRAPHIC DATA SHARE AGREEMENT

Terms

Per the "Lafayette County GIS Data Distribution Policy," Lafayette County reserves the right to grant the use of data for specific projects to qualified organizations for research and special projects that benefit the citizens of Lafayette County. Any qualified organization requesting digital data may be charged minimal fees necessary to distribute the data or may have their fees waived entirely. In return, the user must issue a digital copy of the final project to the County or share a GIS dataset that would benefit Lafayette County.
